1. Forwarded as Attachment A is a resume of the observed activities of Valeriy Vladimirovich KOSTIKOV and Lynn Gavrilovich ALFERYEV as reported by a reliable source in Mexico City. Attention was given to KOSTIKOV because of the indication that he is the consul who interviewed OSVALD on 28 September 1983 (see CSCI-3/778, S26, 25 November 1983). ALFERYEV travelled with KOSTIKOV to northern Mexico during the early part of September 1983. Source reported that during the period under review the observed activities of KOSTIKOV and ALFERYEV appeared to be normal, as did the activities of the entire Soviet Embassy complement.

2. Forwarded as Attachment B is a resume of telephone calls placed to and from the Soviet Embassy on the afternoon of 22 November. Analysis of calls made the morning of 22 November and the morning and afternoon of 23 November revealed no pertinent information.

3. Technical surveillance of the homes of several known and suspected Soviet intelligence officers produced no pertinent information.

4. Forwarded as Attachment C is a list identifying the Soviets whose names appear in Attachments A and B.

5. Because of the extreme sensitivity of the enclosed information, we urge that the source data and the information be given the most secure handling possible. This information is for background use only and may not be disseminated without permission from this Agency.
